Abstract: The Federal Pell Grant, ACG, and National SMART Programs are student financial assistance programs, authorized under the Higher Education Act of 1965 (HEA), as amended, which provide grant assistance to an eligible student attending an institution of higher education. The institution determines the student's award and disburses program funds to the student on behalf of the U.S. Department of Education (ED). To account for the funds disbursed, institutions report student payment information to ED electronically. Electronic reporting is conducted through the Common Origination and Disbursement (COD) system. The COD system is used by institutions to request, report, and reconcile grant funds received from the Pell Grant program.
